FRAMEWORK

Connect to your WHY

Honor your priorities

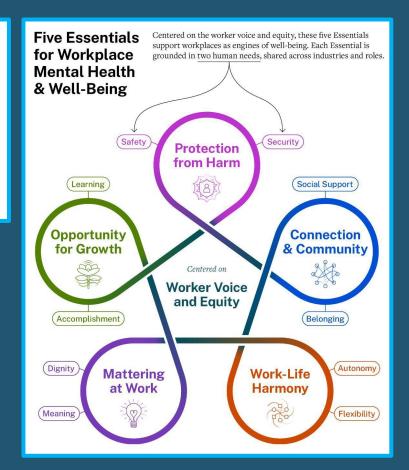

Acknowledge your limiting beliefs

Negotiate boundaries

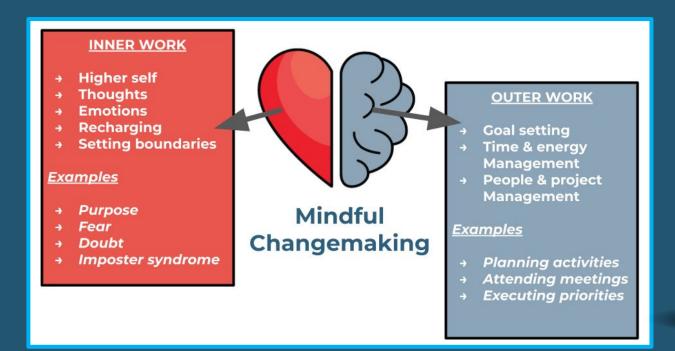

Go within

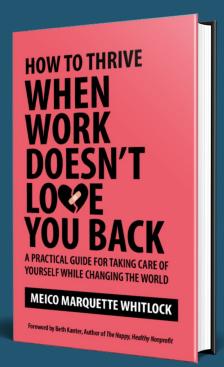

Embody well-being while well-doing

Programs use practices and strategies connected to the C.H.A.N.G.E. framework for well-being while well-doing that address the U.S. Surgeon General's Five Essentials for Workplace Mental Health and Well-Being.

FRAMEWORK

Programs holistically address the **inner work** and **outer work** of **mindful changemaking**.

CLIENTS

TESTIMONIAL

"Meico is a leader with a deep commitment to promoting wellness and mindfulness. Through his partnership with Keela, he's created tools and shared resources that support thousands of nonprofit professionals to lead balanced, purposeful lives in a digital world.

His contributions have significantly helped our team and users to tackle stressful situations and be more productive in the workplace. Working with Meico has proven to be an incredible decision and I'm looking forward to building on our great relationship."

Nejeed Kassam Former CEO Keela

EXAMPLES

- Facilitated a retreat to help development professionals rebuild in-person connections and learn best practices for returning to the office.
- Conducted a well-being assessment for grantmaking professionals to assess how foundations could support the well-being of their staff in the post-pandemic workplace.
- Developed a 10-part video series on mindfulness for fundraising professionals overwhelmed by work stress.

EXAMPLES

- Developed a SHRM and HRCI-certified course and curriculum on technology distraction for HR professionals and managers.
- Created and facilitated CRFE and CAE-certified professional development courses on mindful leadership and work-life balance for nonprofit technology professionals.

SPEAKING

VIRTUAL TRAINING

Virtual courses and training are facilitator-led programs delivered virtually.

EXECUTIVE RETREATS, STRATEGIC-PLANNING MEETINGS, AND GATHERINGS

Workplace change often requires a skilled facilitator to craft a framework and guide discussions.

IN-PERSON TRAINING AND FACILITATION

Onsite training is training delivered to a private group at their location.

**Additional offerings include coaching, consulting, and custom projects.

TRAININGS & WORKSHOPS

We provide training on topics at the intersection of mindfulness, productivity, technology, and living a life of meaning in a hybrid world.

Trainings typically range from **60-90-minutes** to a **half-day** or **full-day/multi-day** workshop depending
on how in-depth an experience your team
or organization is seeking.

The ideal size for online and onsite training is up to **30 people**. However, adjustments can be made to accommodate larger groups.

TESTIMONIAL

The session was as much fun as it was transformative! I, too, walked away with some 'precious nuggets' of insight about how to be more mindful and intentional in my leadership and personal life. I will most definitely include this session in future fellowship retreats.
